**KEY**

(\*) A must see waterfall

(a) Artificial

(p) Known to be on private property, may or may not be visitable.

(u) A rumored fall

NOTE: Do not attempt to access waterfalls located on private property without permission. I've made an effort to P out those waterfalls I know to be on private property, might some waterfalls not so marked may also be on private property. Do your homework, and check to make sure every waterfall you visit is open and legal for visitation.
